Dear Sir,

Before I even start on my thoughts from last week's event, I want to thank you and the rest of the committee from the bottom of my heart, especially Dr. Vivek Pandey, Dr.Krishna Kant Sahu and Dr.Joseph for their tireless support throughout.

I have heard nothing but praise from all who attended the reunion. You & your team did a heroic job to design and execute such a fabulous reunion. Though it seemed effortless in its fruition, I can only imagine the amount of effort it must have taken to design and execute such an event. To start with the team at the railway station that made our journey, from there to our rooms seamless and facile, everything from the pick-up and drop, luggage assistance, reception at the venue, rooms for the stay.

Not to forget the Candle March followed by the march past (with the given circumstances), they were lifetime events for my kids. The tree plantation and the hostel visit was meticulously planned and executed. I honestly do not know when I felt in the midst of such warmth. It was really gratifying.

Besides thanking the committee, I want to thank all my friends for putting in all their efforts to attending this reunion event. It was not easy to take out time for pre-reunion chatter, endless telephone calls, a last minute journey plan, without them this would not have been such fun.

I could go on and on but I think I've said quite enough.

God bless you all !!
