**Online Education**

1. Does all programs/courses were completed on time.	Yes
--	-----

2. Measures taken to complete the syllabus of courses and programs.		All the educational institutions were closed in India and other countries because of the COVID-19 pandemic. In order to complete the Syllabus on time, teachers were asked to take online classes for students through platforms like Zoom, Google Classroom etc. Other social networking platforms like whatsapp were used for notifications etc. Students were also asked to submit their assignments online. Open Book Examination (OBE) were conducted for all the semesters in August 2020. Next OBE was conducted for all the semesters except M.P.Ed. IV Sem, B.P.Ed. VIII Sem. and M.A. (Yoga) Final Semester as their examinations were conducted offline instead of OBE online in March 2021, thereafter next set of OBE online was conducted in July 2021 for all the semesters. During this pandemic, initiations have been taken by Lakshmbai National Institute of Physical Education (LNPIE) to conduct online classes so that syllabus of all the streams could be covered. By online classes, we mean conducting teaching and learning sessions with the help of ICT. As part of this, the teachers are conducting online classes as per time table made by the department heads guided by the Dean Academics. Teachers informed to students through email or whatsapp about the time and topic of the online classes. Teachers also send their video tutorials live on YouTube and also the study materials in the college website and whatsapp groups. After tutorial classes, they sent question answer to students on whatsapp followed by sharing the related assignments on ICT bases Platforms. The whole process maintained by the teachers to conduct on line classes smoothly is given below: • The Head of each of the department collected email addresses and contact numbers of all the students and teachers to create a whatsapp group for every semester through which online classes were conducted. • The link of the online classes were provided in these groups before five minutes of commencement of the classes. • All the necessary equipment and services, like internet, laptop, camera, smart phone etc. were checked before the session. • The students were given ample scope to think what they have studied and in return they were asked to give proper feedback for betterment of teaching learning. • Encouraging students not only to ask their queries or doubts related to the topic but also to answer the questions asked by their peers. • No class without any strong reason were postponed or canceled. Moreover, the end examination, internal evaluation and many international / national / state level webinars were conducted by various departments of the Institute smoothly from April 2020 till date. Consequently, these were successfully helping to maintain the flow of study for students.
