Criterion 1 - Curricular Aspects

1.1 Curriculum Design and Development

1.1.1

Curricula developed and implemented have relevance to the local, regional, national, and global developmental needs, which is reflected in the Programme outcomes (POs), and Course Outcomes(COs) of the Programmes offered by the University

Response:

The learning experiences for different programmes at LNIPE are designed and delivered keeping in mind the management fundamentals, international management, and specialized skill areas specific to different programmes. These learning experiences are linked to the learning goals for each programme. LNIPE faculty is grouped under seven subject related Discipline Groups and all decisions related to academic inputs in a particular programme are taken by these groups, which are then approved by Board of Studies (BoS) of the respected division Each division has a Board of Studies (BoS) which largely comprises of internal faculty and has two external members. The role of the board of studies is to examine curriculum review changes, sequencing of courses, alignment of course credits with regulatory requirements and referrals made by the discipline groups. Decisions taken in the board of studies are then referred to the Director of the institute who serves as Chairman of the Board of Studies for granting approval to the decisions made at the level of board of studies.

1.1.2

The Programmes offered by the institution focus on employability/ entrepreneurship/ skill development and their course syllabi are adequately revised to incorporate contemporary requirements

Response:

Physical Education is a vocational course in itself, though the Institute provides various opportunities by offering various courses to enhance skill development among students like Sports Physiotherapy, Sports Event Management, Gym Management, Yoga Instructor, Trainers, Masseurs, Lifeguard etc.

1.2 Academic Flexibility

1.3 Curriculum Enrichment

1.3.1

Institution integrates cross-cutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability and other value framework enshrined in Sustainable Development Goals and National Education Policy – 2020 into the Curriculum

Response:

LNPIE conducts curriculum review of its programme on a regular basis once in two years. Also undertakes such review whenever required as per need. It is a rigorous process which involve all faculty, inputs from students, alumni and recruiters. In the process, the Director constitutes a core committee headed by a Senior Professor which includes the Dept. Heads / Programme Directors. The core committee will conduct internal meetings with every department to ascertain content and pedagogical changes required based on their past experiences on meeting the objectives of the courses and also the programme outcomes. Each of the departments will conduct their internal meetings in revising the courses of their respective departments indicating the changes in contents, credits and pedagogy. The broad contours of the review will take into account the UGC guidelines in vogue. After the internal discussions, the curriculum review committee including the external members will go through each and every course for its relevance to the programme outcomes and the requirements for the industry and society. The committee will after several rounds of discussions, finalize the model course structure to be followed in the programmes and submit a detailed report. Such reports will be presented to the Academic Council and Board of Management for ratification. The adopted report will be communicated to all faculty by the Dean for implementation. The template for each of the courses will be circulated to the course coordinators to design their courses. The course coordinators are given liberty to design the lecture plans for the indicated course structure. Similarly, they are also allowed to adopt assessment components with the options as allowed. At the beginning of every semester, the concerned department under the Department Head will review and endorse the course outlines before it is circulated to the students. The Programme Office prepares a detailed comprehensive course outline for each semester and upload the same in the Campus 360 portal which is a seamless academic management resource of LNPIE. When the course is getting administered, in order to make any midway corrections, midterm feedback of the course is taken from the students. Based on the midterm feedback, the faculties are

allowed to make required corrections in pedagogy or depth of contents. The course effectiveness is measured both in terms of end term course feedback and programme learning objectives. In each of the courses, the faculty indicate components, which match the programme learning goals for their course. In order to enhance, effectiveness of curriculum, the faculty integrates cases, term papers, projects and invited lectures (upto 30% of the Course Credit) in their respective courses. The curriculum also integrates experiential learning through port visits, attachment with NGOs, summer project and Research Project. The faculty are also permitted to prepare a detailed course book for their courses. Thus the complete continuous process ensures the contemporariness of curriculum and also its effective implementation to achieve the programme objectives.
